FOR IMMEDIATE RELEASE

St. Louis - January 27, 2021- Greater Than Games is excited to announce the upcoming release ***Sentinels of the Multiverse: Definitive Edition***, the remastering of the classic cooperative comic book card game created by Christopher Badell and Adam Rebottaro!

Sentinels of the Multiverse is a cooperative card game, in which 3-5 players play as heroes, fighting dangerous villains in dynamic environments. The heroes must join forces and use their power and abilities to defeat their foes and save the Multiverse!

Polygon broke the news this morning. Read their article about it [here](#).

Lead Designer Christopher Badell wrote about Definitive Edition on the GTG website, which you can read [here](#).

Sentinels of the Multiverse: Definitive Edition is launching on Kickstarter on March 30th, 2021!
